5. Plaintiff uses a wheelchair for mobility purposes.

6. Plaintiff is also an independent advocate of the rights of similarly situated disabled persons and is a “tester” for the purpose of enforcing Plaintiff’s civil rights, monitoring, determining and ensuring whether places of public accommodation are in compliance with the ADA. His motivation to return to a location, in part, stems from a desire to utilize ADA litigation to make Plaintiff’s community more accessible for Plaintiff and others; and pledges to do whatever is necessary to create the requisite standing to confer jurisdiction upon this Court so an injunction can be issued correcting the numerous ADA violations on this property, including returning to the Property within six months after it is accessible (“Advocacy Purposes”).

7. Defendant, DOS NLSS MG CORPORATION (hereinafter “DOS NLSS MG CORPORATION”), is a Texas corporation that transacts business in the State of Texas and within this judicial district.

8. Defendant, DOS NLSS MG CORPORATION, may be properly served with process for service via its registered agent, to wit: c/o Naushad Kasamali Momin, Registered Agent, 4130 Allison Road, Suite B, Houston, TX 77048.

FACTUAL ALLEGATIONS

9. On or about January 28, 2021, Plaintiff was a customer at “Mr. BS Grub Shack” a business located at 4130 Allison Road, Houston, TX 77048, referenced herein as “Mr. BS Grub Shack”. Attached is a receipt documenting Plaintiff’s purchase. *See* Exhibit 1. Also attached is a photograph documenting Plaintiff’s visit to the Property. *See* Exhibit 2.

10. Plaintiff lives 18 miles from the Property.

Even if there is a lease between Defendant, DOS NLSS MG CORPORATION, and the tenant allocating responsibilities for ADA compliance within the unit the tenant operates, that lease is only between the property owner and the tenant and does not abrogate the Defendant’s requirement to comply with the ADA for the entire Property it owns, including the interior portions of the Property which are public accommodations. *See* 28 CFR § 36.201(b).

14. Plaintiff has visited the Property at least once before as a customer and advocate for the disabled. Plaintiff intends on revisiting the Property within six months after the barriers to access detailed in this Complaint are removed and the Property is accessible again. The purpose of the revisit is to be a return customer, to determine if and when the Property is made accessible and to maintain standing for this lawsuit for Advocacy Purposes.

15. Plaintiff intends on revisiting the Property to purchase goods and/or services as a return customer living in the near vicinity as well as for Advocacy Purposes, but does not intend to re-expose himself to the ongoing barriers to access and engage in a futile gesture of visiting the public accommodation known to Plaintiff to have numerous and continuing barriers to access.

16. Plaintiff travelled to the Property as a customer and as an independent advocate for the disabled, encountered the barriers to access the Property that are detailed in this Complaint, engaged those barriers, suffered legal harm and legal injury, and will continue to suffer such harm and injury as a result of the illegal barriers to access present at the Property.

COUNT I
VIOLATIONS OF THE ADA AND ADAAG

17. On July 26, 1990, Congress enacted the Americans with Disabilities Act 42 U.S.C. § 12101 *et seq.*

18. Congress found, among other things, that:

- (i) some 43,000,000 Americans have one or more physical or mental disabilities, and this number is increasing as the population as a whole is growing older;
- (ii) historically, society has tended to isolate and segregate individuals with disabilities, and, despite some improvements, such forms of discrimination against individuals with disabilities continue to be a serious and pervasive social problem;
- (iii) discrimination against individuals with disabilities persists in such critical areas as employment, housing public accommodations, education, transportation, communication, recreation, institutionalization, health services, voting, and access to public services;
- (iv) individuals with disabilities continually encounter various forms of discrimination, including outright intentional exclusion, the discriminatory effects of architectural, transportation, and communication barriers, overprotective rules and policies, failure to make modifications to existing facilities and practices, exclusionary qualification standards and criteria,

segregation, and relegation to lesser service, programs, activities, benefits, jobs, or other opportunities; and

- (v) the continuing existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those opportunities for which our free society is justifiably famous, and costs the United States billions of dollars in unnecessary expenses resulting from dependency and non-productivity.

42 U.S.C. § 12101(a)(1) - (3), (5) and (9).

19. Congress explicitly stated that the purpose of the ADA was to:

- (i) provide a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities;
- (ii) provide a clear, strong, consistent, enforceable standards addressing discrimination against individuals with disabilities; and

* * * * *

- (iv) invoke the sweep of congressional authority, including the power to enforce the fourteenth amendment and to regulate commerce, in order to address the major areas of discrimination faced day-to-day by people with disabilities.

42 U.S.C. § 12101(b)(1)(2) and (4).

20. The congressional legislation provided places of public accommodation one and a half years from the enactment of the ADA to implement its requirements.

21. The effective date of Title III of the ADA was January 26, 1992 (or January 26, 1993 if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181; 28 C.F.R. § 36.508(a).

22. The Property is a public accommodation and service establishment.

23. Pursuant to the mandates of 42 U.S.C. § 12134(a), on July 26, 1991, the Department of Justice and Office of Attorney General promulgated federal regulations to implement the requirements of the ADA. 28 C.F.R. Part 36.

24. Public accommodations were required to conform to these regulations by January 26, 1992 (or by January 26, 1993 if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181 *et seq.*; 28 C.F.R. § 36.508(a).

25. The Property must be, but is not, in compliance with the ADA and ADAAG.

26. The Property is comprised of multiple buildings served by a single parking lot. All of the buildings on the Property are public accommodations.

27. Plaintiff has attempted to, and has to the extent possible, accessed the Property in his capacity as a customer at the Property as well as an independent advocate for the disabled, but could not fully do so because of his disabilities resulting from the physical barriers to access, dangerous conditions and ADA violations that exist at the Property that preclude and/or limit his access to the Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

28. Plaintiff intends to visit the Property again in the very near future as a customer and as an independent advocate for the disabled, in order to utilize all of the goods, services, facilities, privileges, advantages and/or accommodations commonly offered at the Property, but will be unable to fully do so because of his disability and the physical barriers to access, dangerous conditions and ADA violations that exist at the Property that preclude and/or limit his access to the Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

29. Defendant, DOS NLSS MG CORPORATION, has discriminated against Plaintiff (and others with disabilities) by denying his access to, and full and equal enjoyment of the goods,

services, facilities, privileges, advantages and/or accommodations of the Property, as prohibited by, and by failing to remove architectural barriers as required by, 42 U.S.C. § 12182(b)(2)(A)(iv).

30. Defendant, DOS NLSS MG CORPORATION, will continue to discriminate against Plaintiff and others with disabilities unless and until Defendant, DOS NLSS MG CORPORATION, is compelled to remove all physical barriers that exist at the Property, including those specifically set forth herein, and make the Property accessible to and usable by Plaintiff and other persons with disabilities.

31. A specific list of unlawful physical barriers, dangerous conditions and ADA violations which Plaintiff experienced and/or observed, or was made aware of prior to the filing of this Complaint, that precluded and/or limited Plaintiff's access to the Property and the full and equal enjoyment of the goods, services, facilities, privileges, advantages and accommodations of the Property include, but are not limited to:

ACCESSIBLE ELEMENTS:

- (i) Near Mr. B's Grub Shack, there is a ½ inch vertical rise at the base of the accessible ramp, in violation of Sections 303.2 and 405.4 of the 2010 ADAAG standards. This violation would make it dangerous and difficult for Plaintiff to access public features of the Property.
- (ii) In front of Mr. B's Grub Shack, the maneuvering clearance of the accessible entrance is not level in violation of Section 404.2.4.4 of the 2010 ADAAG standards.
- (iii) In front of Mr. B's Grub Shack, the accessible ramp side flares have a slope in excess of 1:10 in violation of Section 406.3 of the 2010 ADAAG standards. This

violation would make it dangerous and difficult for Plaintiff to access the units of the Property.

- (iv) The accessible parking space located in front of Mr. B's Grub Shack lacks signage identifying the accessible parking space in violation of section 502.6 of the 2010 ADAAG Standards. This violation would make it difficult for Plaintiff to locate an accessible parking space.
- (v) Due to a failure to enact an adequate policy of maintenance, the accessible parking space and access aisle in front of Mr. B's Grub Shack is not adequately marked so as to determine the width of the accessible space and so as to discourage parking in the access aisle aisle in violation of section 502.2 and 502.3 of the 2010 ADAAG Standards.
- (vi) The ramp directly in front of the accessible entrance doorway to Mr. B's Grub Shack also serves as the only accessible route from the accessible parking space to the accessible entrances of the Property. However, the placement of the accessible ramp in the exterior accessible route creates a cross-slope in the accessible route in excess of 1:48 in violation of section 403.3 of the 2010 ADAAG standards. This violation would make it dangerous and difficult for Plaintiff to access the other units of the Property.
- (vii) The ramp directly in front of the accessible entrance doorway to Mr. B's Grub Shack also serves as the only accessible route from the accessible parking space to the accessible entrances of the Property. However, the placement of the accessible ramp side flares in the exterior accessible route creates a surface slope in the accessible route in excess of 1:20 in violation of section 403.3 of the 2010

ADAAG standards. This violation would make it dangerous and difficult for Plaintiff to access the other units of the Property.

- (viii) There are changes in level at Property exceeding $\frac{1}{2}$ (one-half) inch that are not properly ramped in violation of Section 303.4 of the 2010 ADAAG standards. Specifically, there is an approximately 2 (two) inch vertical rise at the entrance of Happy Donuts (Unit 4130 C), thus rendering the interior of the Property inaccessible at this unit. This violation would make it dangerous and difficult for Plaintiff to access the units of the Property.
- (ix) At Happy Donuts, the maneuvering clearance of the accessible entrance is not level in violation of Section 404.2.4.4 of the 2010 ADAAG standards. This violation would make it difficult for Plaintiff to access the units of the Property.
- (x) Due to the barriers identified in (ii), (iii), (iv) and (v) above, not all accessible entrance doors and doorways to publicly accessible units comply with Section 404 of the 2010 ADAAG standards and are on an accessible route complying with section 402 of the 2010 ADAAG Standards. These violations constitute a violation of Section 206.4 of the 2010 ADAAG standards. This violation would make it difficult for Plaintiff to access the units of the Property.
- (xi) Due to the accessibility barrier identified in (iv) above, the Property lacks an accessible route connecting the exterior accessible route to the accessible spaces and elements inside the building in violation of section 206.2.4 of the 2010 ADAAG Standards.

- (xii) There are no accessible parking spaces on the Property identified as “van accessible” in violation of section 208.2.4 and 502.6 of the 2010 ADAAG Standards.
- (xiii) In front of Unit D, there is at least one accessible parking space that does not have a marked access aisle in violation of Section 502.3.3 of the 2010 ADAAG standards. This violation would make it dangerous and difficult for Plaintiff to access the accessible entrances of the Property.
- (xiv) In front of Unit D, due to the lack of an access aisle which results in the nearby accessible ramp being blocked by a parked vehicle, the Property lacks an accessible route from accessible parking spaces to the accessible entrance of the Property in violation of Section 208.3.1 of the 2010 ADAAG standards. This violation would make it difficult for Plaintiff to access the units of the Property.
- (xv) In front of Unit D, due to the lack of an access aisle which results in the nearby accessible ramp being blocked by a parked vehicle, the parked vehicle extends into the access route as a result, in violation of Section 502.7 of the 2010 ADAAG Standards, parking spaces are not properly designed so that parked cars and vans cannot obstruct the required clear width of adjacent accessible routes.
- (xvi) Inside the food store located in Unit D, there are sales and services counters lacking any portion of the counter that has a maximum height of 36 (thirty-six) inches from the finished floor in violation of Section 904.4 of the 2010 ADAAG standards, all portions of the sales and service counter exceed 36 (thirty-six) inches in height from the finished floor. This violation would make it difficult for Plaintiff to properly transact business at the Property.

- (xvii) Inside Mr. B's Grub Shack, there is not at least 5% (five percent) of the dining surfaces provided for consumption of food or drink which complies with Section 902.3 requiring the maximum height of the dining surface to be maximum 34 (thirty-four) inches above the finished floor in violation of Section 226.1 of the 2010 ADAAG standards.
- (xviii) Defendant fails to adhere to a policy, practice and procedure to ensure that all facilities are readily accessible to and usable by disabled individuals.

MR. B'S GRUB SHACK RESTROOMS

- (i) The restrooms have grab bars adjacent to the commode which are not in compliance with Section 604.5 of the 2010 ADAAG standards as the rear bar is too short. This would make it difficult for Plaintiff and/or any disabled individual to safely utilize the restroom facilities.
- (ii) The lavatories and/or sinks in the restrooms have exposed pipes and surfaces and are not insulated or configured to protect against contact in violation of Section 606.5 of the 2010 ADAAG standards. This would make it difficult for Plaintiff and/or any disabled individual to safely utilize the restroom facilities.
- (iii) The height of the bottom edge of the reflective surface of the mirror in the bathroom is above the 40-inch maximum height permitted by Section 603.3 of the 2010 ADAAG standards. This violation would make it difficult for the Plaintiff and/or any disabled individual to properly utilize the mirror in the restroom.
- (iv) The actionable mechanism of the paper towel dispenser in the restroom is located above 48 inches from the finished floor which is outside the prescribed vertical reach ranges set forth in Section 308.2.1 of the 2010 ADAAG standards. This

would make it difficult for Plaintiff and/or any disabled individual to safely utilize the restroom facilities.

- (v) The door exiting the restroom lacks a clear minimum maneuvering clearance, due to the proximity of the door hardware to the adjacent wall, in violation of Section 404.2.4 of the 2010 ADAAG standards. This made it difficult for Plaintiff and/or any disabled individual to safely utilize the restroom facilities.

- (xix) The restrooms lack proper door hardware in violation of Section 404.2.7 of the 2010 ADAAG standards in that it requires tight grasping and twisting of the wrist. This would make it difficult for Plaintiff and/or any disabled individual to utilize the restroom facilities.

32. The violations enumerated above may not be a complete list of the barriers, conditions or violations encountered by Plaintiff and/or which exist at the Property.

33. Plaintiff requires an inspection of the Property in order to determine all of the discriminatory conditions present at the Property in violation of the ADA.

34. The removal of the physical barriers, dangerous conditions and ADA violations alleged herein is readily achievable and can be accomplished and carried out without significant difficulty or expense. 42 U.S.C. § 12182(b)(2)(A)(iv); 42 U.S.C. § 12181(9); 28 C.F.R. § 36.304.

35. All of the violations alleged herein are readily achievable to modify to the Property into compliance with the ADA.

36. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Property is readily achievable because the nature and cost of the modifications are relatively low.

37. Upon information and good faith belief, the removal of the physical barriers and

dangerous conditions present at the Property is readily achievable because Defendant, DOS NLSS MG CORPORATION, has the financial resources to make the necessary modifications. According to the Property Appraiser, the Appraised value of the Property is \$1,048,915.00.

38. The removal of the physical barriers and dangerous conditions present at the Property is also readily achievable because Defendant has available to it a \$5,000.00 tax credit and up to a \$15,000.00 tax deduction from the IRS for spending money on accessibility modifications.

39. Upon information and good faith belief, the Property has been altered since 2010.

40. In instances where the 2010 ADAAG standards do not apply, the 1991 ADAAG standards apply, and all of the alleged violations set forth herein can be modified to comply with the 1991 ADAAG standards.

41. Plaintiff is without adequate remedy at law, is suffering irreparable harm, and reasonably anticipates that he will continue to suffer irreparable harm unless and until Defendant, DOS NLSS MG CORPORATION, is required to remove the physical barriers, dangerous conditions and ADA violations that exist at the Property, including those alleged herein.

42. Plaintiff's requested relief serves the public interest.

43. The benefit to Plaintiff and the public of the relief outweighs any resulting detriment to Defendant, DOS NLSS MG CORPORATION.

44. Plaintiff's counsel is entitled to recover its reasonable attorney's fees and costs of litigation from Defendant, DOS NLSS MG CORPORATION, pursuant to 42 U.S.C. §§ 12188 and 12205.

45. Pursuant to 42 U.S.C. § 12188(a), this Court is provided authority to grant injunctive relief to Plaintiff, including the issuance of an Order directing Defendant, DOS NLSS

MG CORPORATION, to modify the Property to the extent required by the ADA.

WHEREFORE, Plaintiff prays as follows:

- (a) That the Court find Defendant, DOS NLSS MG CORPORATION, in violation of the ADA and ADAAG;
- (b) That the Court issue a permanent injunction enjoining Defendant, DOS NLSS MG CORPORATION, from continuing their discriminatory practices;
- (c) That the Court issue an Order requiring Defendant, DOS NLSS MG CORPORATION, to (i) remove the physical barriers to access and (ii) alter the Property to make it readily accessible to and useable by individuals with disabilities to the extent required by the ADA;
- (d) That the Court award Plaintiff his reasonable attorneys' fees, litigation expenses and costs; and
- (e) That the Court grant such further relief as deemed just and equitable in light of the circumstances.
